## About Me

Computer Science Student, looking for a full-time/student level job in software engineering around the central district. Highly enthusiastic, driven and a team player.

## Education

Computer Science / B.Sc. / 2018-**Present** / Holon Institute of Technology

- HIT Student Association Member / 2019- **Present**

## Main Projects

1. **Elections of Israel 21/22/23** – Data Mining, Machine Learning, [Python](#)
  - Create an “National Image” using data on Facebook, wrote a crawler using Selenium to download posts
  - Build a machine learning model to predict user/comment credibility
2. **NCAA to NBA** – Data Mining, Machine Learning, [Python](#), [GitHub Link](#)
  - Found correlation between stats and success in the NBA, the “new wave” of change in the league
  - Used scarping with python to create the DB
3. **Battleship** - PyGame, [Python](#), [GitHub Link](#)
  - Build a game using python to implement the famous game
4. **EZShift** - Object-Oriented Programming, [JAVA](#), [GitHub Link](#)
  - Build an app to manage a team/company, which is adaptable for worker type and improve proficiency
  - Used SQLite to make the app non-dependable on internet connection

## Experience

NOC Operator / Ministry of Defense / Jan. 2019- **Present**

- Operator monitors and manages operations of the systems and services
- Wrote procedures for improving professionalism in the team

Various Jobs – Waiter, Co. Chef, Traveling to South America (7 months) and IT Support Technician / April 2016 – Jan. 2019

## Military Service

Iron Dome Officer / IDF / Mar. 2011- Mar. 2016

- Leading a platoon of 20 soldiers and 2 squad commanders simultaneously
- Commanding in tough conditions, with physical and mental difficulties
- Constructing a provisional outpost in limited timeframes while maintaining high standards without compromises
- Served in the field and in training base, both in different commending roles

## Hobbies

Sports (mainly basketball), Coding, Hanging out with friends, Hiking/Travling

## Languages

**Hebrew** – Native | **English** – Fluent
